PROFILE

Dynamic Graphic Designer with a proven track record at Asian Stereo, specializing in packaging and logo design. Expert in creating impactful social media graphics that enhance user engagement. Adept at collaborating with teams to deliver innovative solutions, combining creativity with strong attention to detail to elevate brand visibility.

EMPLOYMENT HISTORY

Graphic Designer - Asian Stereo

Silvassa

Nov 2022 — Present

As a Graphic Designer at Asian Stereo, the focus is on producing compelling visual content that resonates with the target audience. This role involves conceptualizing and executing designs that align with brand objectives and marketing strategies. By utilising various design software and staying updated on industry trends, unique and appealing graphics are created for both digital and print media. Collaboration with team members ensures that all designs meet project requirements and deadlines effectively.

- Developed innovative branding materials that enhanced company recognition.
- Streamlined design processes, resulting in a 20% increase in project turnaround efficiency.
- Participated in client meetings to gather requirements and present design concepts.
- Received positive feedback from clients for creativity and attention to detail.
