Professional Summary

A highly motivated developer with a strong background in web application development. Skilled in Laravel, UI implementation, bug fixing, and API integration. Eager to learn and apply new technologies to enhance user experiences and optimize functionality.

EXPERIENCE

FEB 2022 – TO – MAR 2024

DEVELOPER, ENJAY IT SOLUTION

- **Bug Fixing and Troubleshooting:** Proficient in identifying and resolving software bugs to ensure seamless functionality and user experience.
- **UI Implementation:** Demonstrated expertise in designing and implementing user interfaces using Bootstrap and CSS, enhancing visual appeal and usability.
- **Project Development:** Spearheaded the development of a key project feature, "Statistics," utilizing Laravel framework, contributing to enhanced data analysis and decision-making capabilities.
- **Version Control and Collaboration:** Experienced in utilizing GitLab for code versioning, facilitating efficient collaboration by pushing and pulling code within development teams.
- **Customer Relationship Management (CRM):** Effectively communicated with customers, addressing inquiries and concerns regarding our CRM system, ensuring client satisfaction and retention.
- **Integration of Third-Party APIs:** Successfully integrated various third-party APIs, including SMS services, Intercom, and Gallabox, enhancing product functionality and user engagement.
- **Rakuten Sixthsense Integration:** Collaborated with Rakuten Sixthsense for website error detection and resolution, ensuring optimal performance and reliability.

APR 2024 – TO - PRESENT
